Dear Diana :

Thank you so very much for supporting the Eighteenth Annual RACE to Erase MS on April 29, 2011 with a generous donation of 750 \$100 gift certificates valued at \$75,000.00 to this very special benefit to find a cure for multiple sclerosis. Your wonderful donation is an amazing contribution to our coveted gift bags.

I want you to know how much of a vital component your donation will be in helping to expedite the breakthrough research that has brought us so much closer to finding the cause and ultimate cure of multiple sclerosis. Thanks to your tremendous support, we now have numerous effective medications on the market for MS patients and several amazing breakthroughs have recently been announced that could lead to a cure for everyone who suffers from this devastating disease.

All proceeds from the event go directly to The Center Without Walls, a unique collaboration of the world's leading MS research scientists representing UC San Francisco, Harvard, Yale, The Cleveland Clinic, Oregon Health Sciences University, and the University of Southern California and Johns Hopkins. The combined efforts of these doctors have fostered cutting edge research discoveries, bringing renewed hope and inspiration to all those afflicted with this debilitating disease.

Thank you again for your invaluable support as a gift bag donor. We are undaunted in our quest for a cure for multiple sclerosis and we can win this RACE to Erase MS!

With much appreciation,
